

Notice of Participation in OSAKA Healthcare Pavilion at Expo 2025 Osaka, Kansai, Japan

NIPRO CORPORATION (Head Office: Settsu City, Osaka; President: Yoshihiko Sano; hereinafter “NIPRO”) is pleased to announce that it has decided to participate in the OSAKA Healthcare Pavilion: Nest for Reborn (hereinafter the “OSAKA Healthcare Pavilion”) managed by the Osaka Prefectural Government, Osaka City Government, and other relevant entities at Expo 2025 Osaka, Kansai, Japan (hereinafter the “Expo”).

NIPRO is actively advancing technological innovation in medical devices, pharmaceuticals, pharma packaging, and regenerative medicine businesses. Our aim is to always embody our management philosophy of contributing to society through our business activities. Guided by our brand statement, “Live Longer. Live Better.,” we strive to consistently create shared value as part of society by supplying products and technologies that meet the needs of patients and medical professionals around the world.

The Expo, with the theme of “Designing Future Society for Our Lives,” will be held with the goal of contributing to the achievement of the Sustainable Development Goals (SDGs), realizing Japan’s national strategy, Society 5.0, among other aims. The OSAKA Healthcare Pavilion, under the theme of “REBORN,” will showcase the creation of new value for future society, models of advanced cities at the forefront of global contributions to achieving the SDGs, efforts to enhance people’s quality of life (QOL), and other initiatives centered on life and health. NIPRO’s decision to participate in the Expo was based on the alignment between its management policies and the themes of the Expo and the OSAKA Healthcare Pavilion.

In its ongoing efforts, NIPRO will review the exhibition’s contents to present future-oriented medical and healthcare proposals in the OSAKA Healthcare Pavilion.
